Chartered Institute of Environmental Health (CIEH) Level 2 Award in Health & Safety in the Workplace.

Duration: One day.

Course overview:

This course is accredited by the Chartered Institute and an examination is included in the course.

This training programme has been designed to provide essential knowledge and understanding of health and safety for employees working in any sector.

The aim is to provide employees with health and safety knowledge which will enable them to contribute to any health and safety management system.

Course content:

Upon completion the delegates will have gained knowledge of:

- Legislation.
- Health.
- Safety.
- Welfare.
- The workplace and workplace equipment.
- Risk assessment.
- Manual handling.
- Hazardous substances.
- Ergonomics and workstation design.
- Transport and vehicles.
- Noise and vibration.

Successful completion will prepare delegates to look carefully at their own work activities and contribute to the organisations health and safety management system.

Course booking:

Please contact one of our team for further details, course prices and booking arrangements on 01384 393408.
