

## **Health and Safety for Directors and Senior Managers.**

**Duration: One day.**

### **Course overview:**

Health and Safety Executive guidance for directors and senior managers suggests that:

- The board needs to accept formally and publicly its collective role in providing health and safety leadership in its organisation.
- Each member of the board needs to accept their individual role in providing health and safety leadership for their organisation.
- The board needs to ensure that all board decisions reflect its health and safety intentions, as articulated in the health and safety policy statement.
- The board needs to recognise its role in engaging the active participation of workers in improving health and safety.

The course provides Directors and Senior Managers with a complete understanding of their responsibilities under health and safety law.

### **Course content:**

Upon completion the delegates will have gained knowledge of:

- Health and safety legislation.
- Principles of Health and Safety Management, HSG65.
- Health and Safety management standards – TQM / OHSAS18001.

Successful completion will prepare delegates to look carefully at their own organisations health and safety management system.
